

Go-To Products Key Characteristics

Product Name	Adhesive System	Construction	Overall Thickness	Color	Relative Cost
Acrylic Foam Tape	Acrylic	Acrylic foam	.010" - .125"	Black/ Gray/ White	Moderate / High
ARV 5106 Poly Tape	Acrylic	LDPE	.010"	Clear or Colors	Low
Bridge-It™ Spacer System	Varies	ABS + Adhesive * + Fastener Cotton or Polyester	Varies with Application	Varies with Application	Moderate
Cloth Tape	Acrylic or Rubber	Polyethylene Foam	Varies with Application	Black / Gray	Moderate
Double Coated Foam Tape	Acrylic or Rubber	Film + Adhesive System	Varies with Application	Black / White	Low
Double Coated Tape	Acrylic or Rubber	Film + Adhesive System	Varies with Application	Clear / White	Low / Moderate
3M™ Dual Lock™	Acrylic	Molded Polypropylene	Varies with Application	Black	Moderate
Flock Tape	Acrylic	Nylon / Polyester	.045"	Black / Colors	Low / Moderate
Foam Composite	Varies	Foam + Film + Adhesive	Varies with Application	Black	Moderate
Foam Tape	Acrylic	Foam	Varies with Application	Black/ Gray/ White	Moderate
Aluminum Foil Tape	Acrylic	Aluminum Roll	Varies with Application	Natural/ Black	Low / High
LDPE Tape	Acrylic or Rubber	LDPE + Adhesive System	Varies with Application	Varies with Application	Moderate
Non-Woven Tape	Acrylic	Polyester	.020"	Black	Low
Punchbacked Foam	N/A	Foam	Varies with Application	Black/ Gray	Low / Moderate
Polyester Film	Acrylic or Rubber	Polyester	Varies with Application	Clear / Colors	Moderate
3M™ Pop-In Dual Lock™	N/A	Molded Polypropylene	Varies with Application	Black	Moderate
Rubber	Acrylic or Rubber	Blended Rubber	Varies with Application	Black	Moderate / High
3M™ Scotchmate™	Acrylic	Nylon Hook / Loop	Varies with Application	Black / White	Moderate
Structural Adhesive	Epoxy	Epoxy	.005" - .015"	Red	Moderate
3M™ Thinsulate™	N/A	Polypropylene	Various	White / Block	Moderate / High
Traction Film	Acrylic or Rubber	Varies with Application	Various	Clear / Black / White	Moderate / High
Transfer Tape	Acrylic	Acrylic Monomer	.002" - .015"	Clear	Moderate
UHMW Film	Acrylic	Polyethylene	.003" - .010"	Clear / Black	Moderate / High
Urethane Film	Acrylic	Urethane	.006" - .020"	Clear / Black	Moderate
Wrestrop™	Acrylic or Rubber	Varies with Application	Varies with Application	Clear or Colors	Low / Moderate

Note: All values represented above are considered approximate and should not be used for specification or costing purposes. Please contact an Argent representative for more detailed information on any of the above materials or products. * Bridge-It™ can be attached with a variety of adhesive systems. Please consult your Argent representative for specific application requirements.
